

Odorless*, health-focused paints, stains, and varnishes with no hidden ingredients.

*No traditional paint or polyurethane odor.

Health is the Greatest Gift

We're thrilled to unveil our new and improved ECOS website... just in time for the holidays. Our new site makes it seamless to shop for that perfect shade of paint (plus stains and varnishes!) with ingredients you can feel good about. And now, you can also save on shipping with our new, free shipping program for orders over \$100.

Take a quick tour of our new site to get inspired by our vivid colors that are inspired by nature. You can then pin your favorite colors.

Help Out Uncle Harold

Uncle Harold's quite handy. For years, he's built birdhouses and dining room chairs in his garage workshop. Lately, he's gotten more sensitive to the fumes. Give him the gift of a healthier workspace this season with the ECOS line of wood stains and varnishes.

Don't Forget Spot!

Spot loves his cozy doghouse, but the paint has chipped away, and it's a looking a little shabby. Give his doggie retreat a makeover with a vibrant color from our ECOS Pet Products line. It's the perfect paint to use to protect your furry, feathered, or scaly companions.
